

June 12<sup>th</sup> to June 19<sup>th</sup>, 2021

CLAW of the DRAGON is located in Wytheville Virginia where we will spend a week. We will depart on June 12<sup>th</sup>. Our group meet up will be at the Loves Gas station at Bruce Rossmeyers (US-1) complex at 0915 and depart at 0930. Our route will be all interstate I-95, I-26, and I-77. Our first night will be in Rock Hill South Carolina (430 miles). The second day we will finish our travel to Wytheville Virginia. Wytheville is at the intersection of I-77 and I-81 and the Blue Ridge area. The total miles to

get to Wytheville is close to 790 miles where we will stay and ride for the week. The Hotel That Seems to be the best choice is The Sleep Inn (about \$78.) It has been completely remodeled and serves a hot breakfast. The Hotel number is (276-227-2025) and the front desk person I talked to was "April". The first night's stay will be in Blythewood at the Holiday Inn. 120 Creech Road Blythewood S.C. Exit 27 (803-333-0315) about (\$ 84.)

The part of the country we are staying in has some of the best Hillbilly music and country charm in the States. So Yeehaw yawl, if you can't have fun here then you should check your pulse to see if you are still alive

If you have traveled with us before you know that we stop every 100 miles in the morning and will have lunch about noon. The afternoon stops will be a little more often. Each stop will be about 20 minutes for water, fuel and snacks. The lunch will be about 1 hour. We should get to the hotel about 4:30 and go to diner as soon as everyone is settled. On day two of travel we will depart the Hotel at 08:30 for the last leg of the trip. Once we get to our final destination, we will have diner and unpack for a week of some unpredictable fun and companionship. Breakfast will be in the hotel and lunch will be whenever we come across a good place and the diners usually wind up going to the place that the first-person heads to. (just follow the leader)

Each mornings ride will start with a safety briefing and sign in. We have not been in this area before so you can figure on wrong turns or winding up in some "Where the heck are we?" place. Just make sure you start out with a full tank of gas and someone has a roll of toilet paper, (ya never know).

If this sounds like your kind of fun come join us. Call Ron at 321-437-8190 if you have questions. If you want to go, make sure Ron has your email address so you get all the updates. [rongmenke@gmail.com](mailto:rongmenke@gmail.com)
